It is suggested you take the following separately, compare notes together and then send it to me ☺

When do you want to take the honeymoon?

- Right after the wedding.
- When we have the time.
- When we have the money.
- Cut to the chase: We're taking it before the wedding.

- Week.
- Two weeks.
- Longer.

We prefer to see

- The USA.
- Europe
- Caribbean
- many ports at sea
- don't care as long as it has a beach and unlimited drinks

Given my choice, I'd rather:

- Camp out/stay in hostels.
- Stay with family/friends.
- Find lodging along the way.
- Reserve a room in a chain hotel or rent a condo.
- Luxury all the way.

Where's your favorite spot?

- Beach.
- Mountains.
- City.
- At sea.

Does company (kids, friends, parents, pets, etc.) belong on a honeymoon?

- It's okay with me.
- It's not okay.

Most of the time on our honeymoon, we'll be eating food from:

- Diners and fast-food franchises.
- Supermarkets: We'll make stuff ourselves.
- Inexpensive local restaurants.
- Our hotel. I want a honeymoon where food is included in the price.
- Fine local restaurants.
- Hotel restaurant/room service.

At night during my honeymoon, for fun I expect to:

- Go out dancing.
- Listen to live music.
- Experience the local culture.
- See movies.
- Are you kidding? It's my honeymoon!

When it comes to activities, I'd like to spend some time on the honeymoon involved in (check as many as you like): if need be mark with a B for Bride and G for Groom
